EDITORIAL

Professor Miroslav Fiedler, long-time Editor-in-Chief of this journal, stepped down on December 31, 2010. As his successor and on behalf of the whole editorial office, I would like to thank him for his unselfish and lasting effort towards preserving the journal's tradition, raising its prestige level and making it of better service for the mathematical community. We will do our best to carry on in all these tasks.

Miroslav Engliš,
Editor-in-Chief, CMJ
