ANNOUNCEMENT

Starting with the 1992 volume, the mathematical journals published by the Mathematical Institute of the Czechoslovak Academy of Sciences will be typeset in $\text{T}_\text{E}\text{X}$. Papers submitted in $\text{T}_\text{E}\text{X}$, if accepted for publication by the Editorial Board, will therefore have a certain priority over the others.

Papers submitted in electronic form should be sent on IBM PC-compatible diskettes ($5\frac{1}{2}$ " or $3\frac{1}{4}$ " together with one printed copy. The author should keep a copy (printed, or preferably, electronic) in case a loss or damage of data should occur.

Formats in Plain $\text{T}_\text{E}\text{X}$ or $\text{A}_\text{M}\text{S-}\text{T}_\text{E}\text{X}$ are preferred, but papers in $\text{L}_\text{A}\text{T}_\text{E}\text{X}$ will be also accepted. The file should contain all necessary macros which are not included in standard formats.
