## FOREWORD

The Proceedings of the Winter School "Geometry and Physics", published in *Supplemento ai Rendiconti del Circolo Matematico di Palermo*, contains written version of talks, presented during the Winter School held in Smi in January 1989.

Longer series of invited expository lectures were given at the School by D. B. Fuchs, A. A. Kirillov, K. Hornfeck and M. Vergne. Many of the lectures in sections are presented here, in the Proceedings, which contains altogether 19 papers. There were 85 participants at the School (see bellow).

*Editors: J. Bureš, V. Souček*
